

RECREATION

The following recreational activities are available on site and nearby within the local community.

PRIVATE BEACH The Center's private beach is located on one of Michigan's most beautiful lakes and offers a variety of outdoor activities.

HIKING Enjoy our eight miles of beautiful wooded trails that are available for hiking, mountain biking and jogging.

CANOEING The Center provides 4 canoes, 1 row boat, life vest & paddles at no extra fee. We can also arrange a canoe trip on the AuSable River through one of the local canoe liveries.

TEAM SPORTS such as water and sand volleyball, basketball, horseshoes and baseball.

WINTER SPORTS Ice fishing, sledding, snowshoeing (center provides snow shoes), cross-country skiing and down hill skiing. The Center guests will have access to miles of groomed cross-country ski trails located across the main road of the facility.

OUTDOOR FIRES An evening campfire located near the water or on our brick patio is available at no additional fee.

GOLF There are several quality public golf courses within a ten-mile radius of the center.

INDOOR ACTIVITIES include playing cards and a variety of board games near a cozy fire. A pool table is available in the lower level of the Conservation Education building. Each building has cable television.
